D. Professional Practice Internship (no credits)

Internship title:

Location: _____

Dates: _____

Advisor Approval: _____

You are responsible for the completion of the following two requirements for graduation:

1. Internship Supervisor Evaluation Survey for Supervisors. Your internship supervisor will be asked to submit a letter during the process of filling out this survey, so they should have it prepared before completing the survey.
2. Internship Completion Survey for Students. This survey requires you to submit a brief written critique of your internship experience. This should be in the form of a 2-3 page memo, describing what you did during the internship, what you hoped to have learned and accomplish, what worked, what didn't, and what you learned about the planning field from the internship. Have it ready before taking the survey.
