

SUPERIOR LANDSCAPE & DESIGN

SUMMER JOB OPPORTUNITY

We are a young and quickly growing landscape contractor looking for one or more employees for the upcoming summer landscaping season. This is an excellent opportunity to break into the landscape industry and get hands on experience by working on projects in the Madison area. In addition to construction and maintenance, you will be able to work alongside others with on-site design as well as occasional hand or computer aided design.

ABOUT US

- Experienced contractor and UW Landscape Architecture program graduate ownership
- Specializing in hardscaping, landscape restoration as well as maintenance

REQUIREMENTS

- Be working towards an LA, horticulture or other related degree
- Ability to lift over 50lbs
- Willingness to work in Wisconsin summer weather
- Clean driving record

IDEAL CANDIDATES WILL POSSESS

- Wisconsin plant knowledge
- Landscape construction experience
- Hand and computer graphic skills.
